#### Descriptors

|          |                   |
|----------|-------------------|
| Category | Cable or wire lug |
| Type     | Standard Barrel   |

#### Specifications

|                 |         |
|-----------------|---------|
| Cable Size      | 2/0 AWG |
| Number Of Holes | 1       |
| Voltage Rating  | 35 kV   |
| Insulation      | None    |
| Material        | Copper  |
| Color           | Black   |

#### Classifications

|            |                         |
|------------|-------------------------|
| Brand Name | Color Keyed / Blackburn |
| Standard   | UL E9809                |

#### Dimensions

|           |        |
|-----------|--------|
| Stud Size | 1/2 in |
|-----------|--------|

#### Compliance and Certifications

|      |                             |
|------|-----------------------------|
| RoHS | RoHS3 Compliant             |
| TSCA | TSCA Section 6(h) Compliant |

|                      |                                               |
|----------------------|-----------------------------------------------|
| ETIM                 | EC001051 Tube cable lug for copper conductors |
| Connecting angle     | 180° (horizontal)                             |
| Slender flange model | N                                             |
| Insulated            | N                                             |
| With sight-hole      | Y                                             |

|                          |                                               |
