

Part Number : 355070300

Series Number : 35507

Product Category : Connector Housings

Product Description : 2.00mm Pitch Sherlock Wire-to-Board Housing, Natural, 3 Circuits

Status : New Business Not Supported

General

|          |                            |
|----------|----------------------------|
| Status   | New Business Not Supported |
| Category | Connector Housings         |

|                |                                                                  |
|----------------|------------------------------------------------------------------|
| Series         | 35507                                                            |
| Description    | 2.00mm Pitch Sherlock Wire-to-Board Housing, Natural, 3 Circuits |
| Application    | Signal, Wire-to-Board                                            |
| Product Family | Sherlock Wire-to-Board Connector System                          |
| Product Name   | Sherlock                                                         |
| UPC            | 800753877610                                                     |

## Agency

|     |         |
|-----|---------|
| CSA | LR19980 |
| UL  | E29179  |

## Physical

|                               |                |
|-------------------------------|----------------|
| Circuits Detail               | 3              |
| Circuits (maximum)            | 3              |
| Color - Resin                 | Natural        |
| Flammability                  | 94V-0          |
| Gender                        | Receptacle     |
| Glow-Wire Capable             | No             |
| Keying to Mating Part         | None           |
| Lock to Mating Part           | Yes            |
| Material - Resin              | Polyester      |
| Net Weight                    | 0.193/g        |
| Number of Rows                | 1              |
| Packaging Type                | Bag            |
| Panel Mount                   | No             |
| Pitch - Mating Interface      | 2.00mm         |
| Polarized to Mating Part      | Yes            |
| Stackable                     | No             |
| Temperature Range - Operating | -40° to +105°C |
