| Name                         | MAB 6                                                                             |
|------------------------------|-----------------------------------------------------------------------------------|
|                              |  |
|                              | panel-mounted socket with flange; solder joint                                    |
| Delivery informations        |                                                                                   |
| Availability                 | available                                                                         |
| Product description          |                                                                                   |
| Type                         | MAB 6                                                                             |
| Order No.                    | 930 011-200                                                                       |
| Type of contact              | female                                                                            |
| Description                  | panel-mounted socket with flange; solder joint                                    |
| Number of contacts           | 6                                                                                 |
| Conductor size               | $\leq 0.34 \text{ mm}^2$                                                          |
| Technical data               |                                                                                   |
| LF output "Phone"            | EN 60 130-09                                                                      |
| Pole arrangement DIN         | DIN 45 322                                                                        |
| Rated current                | 4 A                                                                               |
| Rated voltage                | AC/DC 34 V                                                                        |
| Type of termination          | solder                                                                            |
| Material                     |                                                                                   |
| Contact material (socket)    | brass                                                                             |
| Contact surface material     | tin plated                                                                        |
| Contact bearer material      | PA 66/UL standard 94V-2                                                           |
| Housing material             | steel, nickel-plated                                                              |
| Environmental conditions     |                                                                                   |
| Protection class (IEC 60529) | IP 30                                                                             |
| Temperature range            | -20 °C to +60 °C                                                                  |
