RS PRO 14.6 x 15mm 2 Hole Steel Angle Bracket

RS Stock No.: 427-991

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO range of zinc plated mild steel angle brackets with fixing holes for an easy and secure fastening with the appropriate screw. These L shaped brackets are generally used to join materials together at right angles. These metal angle brackets are ideal for fixing a shelf to a wall and are available in a range of sizes depending on the job or project at hand.

Options include:

427-991 - Angle Bracket, 14.6mm x 15mm

427-997 - Angle Bracket, 15mm x 25mm

428-001 - Angle Bracket, 15mm x 50mm

428-007 - Angle Bracket, 15mm x 70mm
