Product Compliance

EU RoHS/ELV Compliance

5 of 6 EU RoHS/ELV Compliant. These products comply with the End of Life Vehicles Directive 2000/53/EC (ELV) but due to lead in the solderable interface do NOT comply with the Restriction on Hazardous Substances Directive 2011/65/EU (RoHS2). However, these products may be suitable for use in applications where there is a RoHS2 product based exemption for lead in solders, such as the server, storage, or network infrastructure exemption.
