

VAL-U-LOK

TE Internal #: 1586018-2  
Housing, Plug, Wire-to-Panel / Wire-to-Wire, 2 Position, 4.2 mm [.165 in] Centerline, Wire & Cable, UL 94V-0, Rectangular Power Connectors  
[View on TE.com >](#)

Connectors > Power Connectors > Rectangular Power > Rectangular Power Connectors

Rectangular Power Connector Type: **Housing**  
Connector & Housing Type: **Plug**  
Connector System: **Wire-to-Panel, Wire-to-Wire**  
Number of Positions: **2**  
Centerline (Pitch): **4.2 mm [.165 in]**

Features

Product Type Features

|                                   |                             |
|-----------------------------------|-----------------------------|
| Rectangular Power Connector Type  | Housing                     |
| Connector & Housing Type          | Plug                        |
| Connector System                  | Wire-to-Panel, Wire-to-Wire |
| Sealable                          | No                          |
| Connector & Contact Terminates To | Wire & Cable                |

Configuration Features

|                                   |               |
|-----------------------------------|---------------|
| Insertion Force                   | 15 Newton     |
| Compatible With Wire & Cable Type | Discrete Wire |
| Number of Positions               | 2             |
| Number of Rows                    | 2             |

Electrical Characteristics

|                   |         |
|-------------------|---------|
| Operating Voltage | 600 VAC |
|-------------------|---------|

Contact Features

|                |        |
|----------------|--------|
| Contact Layout | Inline |
|----------------|--------|

|                                             |                               |
|---------------------------------------------|-------------------------------|
| Contact Retention Within Housing            | Without                       |
| Contact Type                                | Pin                           |
| Termination Features                        |                               |
| Termination Method to Wire & Cable          | Crimp                         |
| Mechanical Attachment                       |                               |
| Connector Mounting Type                     | Panel Mount                   |
| Housing Features                            |                               |
| Centerline (Pitch)                          | 4.2 mm[.165 in]               |
| Housing Color                               | White                         |
| Housing Material                            | Nylon                         |
| Dimensions                                  |                               |
| Connector Height                            | 9.6 mm[.378 in]               |
| Product Width                               | 23.9 mm[.94 in]               |
| Product Length                              | 5.4 mm[.213 in]               |
| Compatible Insulation Diameter Range        | 1.2 – 3.1 mm[.047 – .122 in]  |
| Row-to-Row Spacing                          | 4.2 mm[.165 in]               |
| Usage Conditions                            |                               |
| Operating Temperature Range                 | -40 – 105 °C[-40 – 221 °F]    |
| Operation/Application                       |                               |
| Circuit Application                         | Power & Signal                |
| Identification Marking                      |                               |
| Circuit Identification Feature              | With                          |
| Industry Standards                          |                               |
| CSA Rating                                  | 208567                        |
| UL Rating                                   | Recognized                    |
| Compatible With Agency/Standards Products   | CSA, UL                       |
| Compatible With Approved Standards Products | UL E28476                     |
| UL Flammability Rating                      | UL 94V-0                      |
| Glow Wire Rating                            | Standard Part - Not Glow Wire |
| Packaging Features                          |                               |
| Packaging Quantity                          | 500                           |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
