## **Data sheet**

Illuminated mushroom pushbutton, 22 mm, round, plastic with metal front ring, red, 30 mm, latching, pull-to-unlatch mechanism, Z=50-unit packaging

| product brand name  | SIRIUS ACT                                 |
|---|--|
| product designation   | Mushroom pushbuttons                       |
| design of the product   | Actuating/signaling element                |
| product type designation  | 3SU1                                       |
| product line  | Plastic with metal front ring, matt, 22 mm |
| Enclosure   |  |
| number of command points  | 1  |
| Actuator  |  |
| design of the actuating element                                   | illuminated                                |
| principle of operation of the actuating element                   | latching                                   |
| product extension optional light source                           | Yes  |
| color of the actuating element                                    | red  |
| material of the actuating element                                 | plastic                                    |
| shape of the actuating element                                    | round                                      |
| outer diameter of the actuating element                           | 30 mm                                      |
| type of unlocking device  | pull-to-unlatch mechanism                  |
| number of switching positions                                     | 2  |
| Front ring  |  |
| product component front ring                                      | Yes  |
