

**Clevis foot**  
**CRLMC-32**  
Part number: 197320

 [General operating condition](#)

**Data sheet**

| Feature                          | Value                                                                     |
|----------------------------------|---------------------------------------------------------------------------|
| Size                             | 32                                                                        |
| Based on norm                    | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Mounting position                | Any                                                                       |
| Corrosion resistance class (CRC) | 4 - Particularly high corrosion stress                                    |
| LABS (PWIS) conformity           | VDMA24364-B2-L                                                            |
| Ambient temperature              | -40 °C ... 80 °C                                                          |
| Product weight                   | 112 g                                                                     |
| Note on materials                | RoHS-compliant                                                            |
| Mounting material                | Electropolished<br>High-alloy steel                                       |
| Material of bearing              | Polymer                                                                   |
