### Technical data

#### Mounting

| Mounting type              | Front mounting                    |
|----------------------------|-----------------------------------|
| Product properties         |                                   |
| Product type               | Circular connectors (device side) |
| Sensor type                | Universal                         |
| Number of positions        | 3                                 |
| No. of cable outlets       | 1                                 |
| Shielded                   | no                                |
| Coding                     | 7/8"-16UNF                        |
| Insulation characteristics |                                   |
| Overvoltage category       | II                                |
| Degree of pollution        | 3                                 |

### Material specifications

| Flammability rating according to UL 94 | НВ                           |
|--|------------------------------|
| Seal material                          | Viton                        |
| Contact material                       | CuZn                         |
| Contact surface material               | Au                           |
| Contact carrier material               | PUR                          |
| Material for screw connection          | Zinc die-cast, nickel-plated |

### Electrical properties

| Contact resistance             | ≤ 5 mΩ   |
|--------------------------------|----------|
| Insulation resistance          | ≥ 100 MΩ |
| Nominal voltage U <sub>N</sub> | 250 V    |
| Nominal current I <sub>N</sub> | 12 A     |

#### Connector

#### Connection 1

| Head design       | Plug       |
|-------------------|------------|
| Head cable outlet | straight   |
| Head thread type  | 7/8"-16UNF |

#### Connection 2

| Head design | free cable end |
|-------------|----------------|
|-------------|----------------|

#### Cable/line

| Cable length                   | 2 m       |
|--------------------------------|-----------|
| Signal type/category           | Universal |
| Wire diameter incl. insulation | 2.7 mm    |

1424029

| Single wire, color              | green/yellow, brown, blue                |
|---------------------------------|--|
| Cable cross section             | 0.75 mm²                                 |
| Conductor structure signal line | 24x 0.20 mm                              |
| AWG signal line                 | 18                                       |
| Thickness, insulation           | 0.85 mm (Core insulation)                |
| Ambient temperature (operation) | -40 °C 85 °C (cable, fixed installation) |

#### Environmental and real-life conditions

#### Ambient conditions

| Degree of protection            | IP67                                     |
|---------------------------------|--|
|                                 | IP67                                     |
| Ambient temperature (operation) | -40 °C 85 °C (Socket)                    |
|                                 | -40 °C 85 °C (cable, fixed installation) |

## Environmental product compliance

#### EU RoHS

| 20 1 101 10                             |   |
|---|---|
| Fulfills EU RoHS substance requirements | Yes   |
| Exemption                               | 6(c)  |
| China RoHS                              |   |
| Environment friendly use period (EFUP)  | EFUP-50   |
|   | An article-related China RoHS declaration table can be found in the download area for the respective article under "Manufacturer declaration". For all articles with EFUP-E, no China RoHS declaration table issued and required. |
| EU REACH SVHC                           |   |
| REACH candidate substance (CAS No.)     | Lead(CAS: 7439-92-1)  |
