Home > Products > Product Search > Ordering Code

Search by EPCOS Ordering Code

Please note that online our ordering codes have changed to 15 digits.

This does not affect the technical specifications of our components. The data sheets will be changed step by step.

Search for TDK Products

Search for TDK products with the same input string?

TDK Website "Search by Parts No."

Your input string: **B65495K0016A001**, Number of hits **1**

Ferrites and Accessories

Note

Please click the link of the product group to view details of all products found in this group or click the ordering code for details of a specific product. In case of withdrawn products, please click the button in the last column for more details.
