DESCRIPTION

GoldieBlox and the Movie Machine teaches kids how to make their own movies. A story + construction kit—in GoldieBlox and the Movie Machine, Goldie and her gang of friends team up to invent a solution and save the Bloxtown Film Festival from being canceled. Kids learn how to build a zoetrope, a pre-cinema animation device, while learning about illustration and animation. New characters + pieces! GoldieBlox and the Movie Machine introduces Li Gravity and Valentina Voltz, the series first male and Latina characters, as well as newly engineered pieces that are compatible with all GoldieBlox sets.
