One of the product images is incorrect. The connector close-up shows a 4-pin connector, not a 5-pin connector as expected.

Do these come with 9-pin female to female?

Toni_K / about 5 years ago / ★ 1

No. These are only 5-pin F/F. Sadly, we don't carry a 9-pin version, but you could use this 5-pin with a 4-pin version.
