### Identification

|                             |                            |
|-----------------------------|----------------------------|
| Category                    | Hoods/Housings             |
| Series of hoods/housings    | Han <sup>®</sup> M23 Power |
| Type of hood/housing        | Hoods                      |
| Description of hood/housing | EMC version                |

### Version

|              |                       |
|--------------|-----------------------|
| Locking type | ComLock rapid locking |
| Size         | M23                   |
| Version      | Top entry             |

### Technical characteristics

|                                        |                                                          |
|----------------------------------------|----------------------------------------------------------|
| Limiting temperature                   | -40 ... +125 °C                                          |
| Degree of protection acc. to IEC 60529 | IP67 / IP69 / IPX9K acc. to ISO 20653 in locked position |
| Clamping range                         | 11 ... 17 mm                                             |

### Material properties

|                         |                   |
|-------------------------|-------------------|
| Material (hood/housing) | Copper-zinc alloy |
| Surface (hood/housing)  | Nickel plated     |

### Specifications and approvals

|          |                                                            |
|----------|------------------------------------------------------------|
| UL / CSA | UL 1977 ECBT2.E235076<br>CSA-C22.2 No. 182.3 ECBT8.E235076 |
|----------|------------------------------------------------------------|

### Commercial data

|                       |          |
|-----------------------|----------|
| Packaging size        | 5        |
| Net weight            | 89.8 g   |
| Country of origin     | Germany  |
| Customs tariff number | 85366990 |
