

**Sensor bracket**  
**DASI-Q11-25-A-SR**  
Part number: 1568451

 [General operating condition](#)

**Data sheet**

| Feature                          | Value                                                              |
|----------------------------------|--------------------------------------------------------------------|
| Size                             | 25                                                                 |
| Design                           | for T-slot                                                         |
| for piston Ø                     | Ø25                                                                |
| Structural design                | Sensor rail                                                        |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                                      |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L                                                  |
| Ambient temperature              | -10 °C ... 60 °C                                                   |
| Product weight                   | 32 g                                                               |
| Type of mounting                 | Clamped in T slot<br>With through-hole and screw<br>With slot nuts |
| Note on materials                | RoHS-compliant                                                     |
| Material of screws               | Steel<br>Galvanized                                                |
