

Connectors > PCB Connectors > Card Edge Connectors > Standard Edge Connectors

Connector System: **Board-to-Board**

Number of Positions: **22**

Centerline (Pitch): **3.96 mm [.156 in]**

Termination Method to Wire & Cable: **Solder Eyelet**

Number of Dual Positions: **22**

Features

Product Type Features

|                                   |                       |
|-----------------------------------|-----------------------|
| Connector System                  | Board-to-Board        |
| Connector & Housing Type          | Receptacle            |
| Connector & Contact Terminates To | Printed Circuit Board |

Configuration Features

|                                  |              |
|----------------------------------|--------------|
| Number of Positions              | 22           |
| Number of Dual Positions         | 22           |
| Number of Rows                   | 2            |
| Connector Contact Load Condition | Fully Loaded |
| PCB Mount Orientation            | Vertical     |

Body Features

|                       |       |
|-----------------------|-------|
| Primary Product Color | Green |
|-----------------------|-------|

Contact Features

|                                                         |                  |
|---------------------------------------------------------|------------------|
| Contact Retention Within Housing                        | With             |
| PCB Contact Termination Area Plating Material Thickness | 2.54 µm[100 µin] |
| Contact Type                                            | Socket           |
| Contact Mating Area Plating Material Thickness          | .76 µm           |
| Contact Mating Area Plating Material                    | Gold             |
| PCB Contact Termination Area Plating Material Finish    | Bright           |
| Contact Underplating Material                           | Nickel           |

|                                               |                 |
|-----------------------------------------------|-----------------|
| PCB Contact Termination Area Plating Material | Tin             |
| Contact Base Material                         | Phosphor Bronze |
| Contact Current Rating (Max)                  | 5 A             |

Termination Features

|                                    |                       |
|------------------------------------|-----------------------|
| Termination Post & Tail Length     | 3.81 mm[.15 in]       |
| Termination Method to PCB          | Through Hole - Solder |
| Termination Method to Wire & Cable | Solder Eyelet         |

Mechanical Attachment

|                                       |               |
|---------------------------------------|---------------|
| Mating Retention                      | Without       |
| Mating Alignment                      | Without       |
| Contact Retention Type Within Housing | Locking Lance |
| PCB Mount Alignment                   | Without       |
| PCB Mount Retention                   | Without       |
| Connector Mounting Type               | Board Mount   |

Housing Features

|                    |                        |
|--------------------|------------------------|
| Centerline (Pitch) | 3.96 mm[.156 in]       |
| Housing Material   | Glass-Filled Polyester |

Dimensions

|                    |                  |
|--------------------|------------------|
| Card Slot Depth    | 7.49 mm[.29 in]  |
| Connector Height   | 11.68 mm[.46 in] |
| Row-to-Row Spacing | 5.08 mm[.2 in]   |

Usage Conditions

|                             |                            |
|-----------------------------|----------------------------|
| Operating Temperature Range | -55 – 105 °C[-67 – 221 °F] |
|-----------------------------|----------------------------|

Operation/Application

|                     |       |
|---------------------|-------|
| Circuit Application | Power |
|---------------------|-------|

Packaging Features

|                    |     |
|--------------------|-----|
| Packaging Quantity | 90  |
| Packaging Method   | Box |

| Halogen Content                               | Not Low Halogen - contains Br or Cl > 900 ppm.                                                                                                                                                                                                                                                                                                                                                                                |
| Solder Process Capability                     | Wave solder capable to 240°C                                                                                                                                                                                                                                                                                                                                                                                                  |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
