High Density Slotted Wall Wiring Duct, 1.5" X 2", Non-Adhesive, PVC, Gray, 120ft/Carton

Part Number: 184-15202

Features & Benefits

• Narrow fingers reduce fanning of the wires to the terminal blocks, presenting a neater appearance.
• Each finger is provided with a double restriction to hold wires in the bottom portion of the duct, allowing for easier installation.
• Mounting holes are uniform in size and are offered every 2 inches to accommodate compact designs and ease installation.
• Optional covers snap on and off easily, and are provided with a non-slip lining that insures the covers remain in place during vibration.

Certifications & Approvals

✓ RoHS

Qty: 1   **Add To Bill of Materials**
