Subminiature connectors

Product description M9 Female panel mount connector, Contacts: 8, unshielded, THT, IP67, front fastened

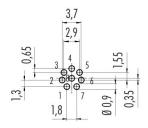

Area series 712
Part no. 09 0428 90 08

Technical data

General features

Part no.	09 0428 90 08
Connector design	Female panel mount connector
Version	Connector socket straight
Connector locking system	screw
Termination	THT
Degree of protection	IP67
Temperature range from/to	-40 °C / 85 °C

Subminiature connectors

Product description M9 Female panel mount connector, Contacts: 8, unshielded, THT, IP67, front fastened

Area series 712
Part no. 09 0428 90 08

Mechanical operation> 500 Mating cyclesWeight (g)5.35Customs tariff number85369010Country of OriginDE

Electrical parameters

Rated voltage	125 V
Rated impulse voltage	1500 V
Rated current	1.0 A
Insulation resistance	$\geq 10^{10} \Omega$
Pollution degree	1
Overvoltage category	
Insulating material group	III
EMC compliance	unshielded

Material

Contact body material	PA (UL94 V-0)
Contact material	CuSn (bronze)
Contact plating	Au (gold)
REACH SVHC	CAS 7439-92-1 (Lead)
SCIP number	30b9d33e-9216-4676-9f49-c4984c478017

Classifications

eCl@ss 11.1	27-44-01-09
ETIM 9.0	EC003569

Security notices

The connector must not be plugged or unplugged under load. Non-observance and improper use can result in personal injury.

The connectors have been developed for applications in plant engineering, control and electrical equipment construction. The user is responsible for checking whether the connectors can also be used in other areas of application.

Plug connectors with enclosure protection IP67 and IP68 are not suitable for use under water. When used outdoors, the plug connectors must be protected separately against corrosion. For further information on the IP protection classes, please refer to the "Technical Information" download centre.
