Overview

B-302 is an indoor/outdoor high performance pressure sensitive safety sign, and is surface printed polyester with a polyester overlamine.

- Weathers up to 8 years outdoors, even longer indoors, and withstands wide temperature variations (up to 230°F)
- Flexible material conforms to most surfaces while protected graphics hold up to harsh environments, abrasion, and repeated spills and cleanings
- Permanent, pressure sensitive adhesive forms a long-lasting bond to even the most difficult surfaces and shapes
- Cold temperature adhesive allows the signage to be applied at 0°F (-18°C)

Specifications

Material Number	B-302
